The Establishment

1. Fremantle Prison was renamed in 1867.
What was its previous full name? _____
2. What was the first thing the Colonial Government built when the prison was handed over in 1886? _____
3. What was significant about this? _____

4. How many people were hanged at the Fremantle Prison? _____
5. When, who and why was the last person hanged at the Fremantle Prison? _____

6. What was the original function of the 'Gatehouse'? _____

7. How big were the original cells? _____ m X _____ m
8. Although running water was laid on to the cells
it was later removed because of a health problem.
Find out what the problem was and what invention we use these days
to overcome this particular problem. 
9. Locate the '*Buildings*' site map on the Fremantle Prison web site and draw a map of the prison site indicating the following buildings. *Gatehouse - *Main Cell Block - *New Division - *Women's Prison - *Hospital. (You may indicate other buildings as well if you want your site map to be more informative.) Give a short description as to the main function of that building when it was still used as a prison.
10. Form a discussion group and discuss the benefits of the development of the Fremantle Prison as a Heritage Site?
