

Name _____

Islands

Islands are great places to explore, especially if they are uninhabited. Many new treasures can be found on islands, not just any sort of treasure but things such as new species of wildlife and plants.

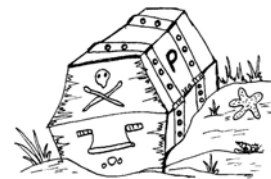

Your Task: Research an island of your own choice and write in the boxes below 6 animals you can find on your island. Also draw a map of your island.

Your Island's Name: _____

Six animals you can find include:

Map of island

Write down 4 points of interest that can be found on the island of your choice e.g. cove, holiday park, wildlife reserve etc.
