

Answer Key – subtraction 1

$$345 - 34 - 52 - 29 = 230$$

$$893 - 38 - 25 - 32 = 798$$

$$841 - 24 - 39 - 48 = 730$$

$$975 - 25 - 69 - 81 = 800$$

$$984 - 28 - 58 - 61 = 837$$

$$981 - 32 - 84 - 29 = 836$$

$$920 - 56 - 32 - 21 = 811$$

$$859 - 23 - 36 - 25 = 775$$

$$789 - 52 - 12 - 98 = 627$$

$$459 - 23 - 89 - 12 = 335$$

$$487 - 25 - 95 - 51 = 316$$

$$254 - 82 - 18 - 69 = 85$$

$$458 - 74 - 12 - 23 = 349$$

$$936 - 15 - 45 - 58 = 818$$

$$587 - 56 - 34 - 17 = 480$$

$$256 - 15 - 84 - 24 = 133$$

$$424 - 111 = 313$$

$$904 - 366 = 538$$

$$7005 - 404 = 6601$$

$$10007 - 301 = 9706$$

$$8003 - 902 = 7101$$

Outcomes:

Mathematics – subtraction, problem solving

English – reading
