

## Brolga

Read the story.

The brolga is Australia's only true crane.

It is a graceful and strong flier.

Parts of the brolga's dance are in Aboriginal Corroborees.

They eat frogs, insects, reptiles and mice.

Underline the words that should begin with a capital letter.

the brolga is australia's only true crane.

it is a graceful and strong flier.

parts of the brolga's dance are in aboriginal corroborees.

they eat frogs, insects, reptiles and mice.

*Find a picture of a brolga in an old magazine and  
glue it on the back of your worksheet.*
